Online registration will end June 15<sup>th</sup> but we will continue to take in person registrations.

**Football Coordinator:** Nothing new to report. He is going to reach out to the head coach of the PV football team and John O'Neil to get high school players at our Camp.

**Cheer Coordinator:** Not present.

**Old Business:** We are ordering a batch of cheer uniforms and we will order extra football uniforms; this will help with sizing.

**New Business:** Josh has come up with the idea of having Mascot races during halftimes at our home games. Dana has volunteered to be the Mascot.

35 shirts have been purchased to have for Shoprite Registration to sell.

A banner has been purchased as well.

Bobby, Josh and Roly went through the shed and storage unit, they found lots of pads & helmets in the storage locker. The numbered old jerseys are in there also, we will sell those.

Practice Equipment and footballs need to be purchased, whatever is needed for camp needs to be ordered as well.

We have decided to purchase a matching lock for shed & storage unit.

The shed still needs to be painted on a nice day.

We now have our Bingo license, so we are good to go for our Designer Bag Bingo in July.

We did well with registration and volunteer registration at the Firemans Carnival it justified spending the \$75 on the spot.

Our Stripe account is set up so we can accept credit cards for sales and in the concession stand.

Jessica heard back from the Transcontinental pipeline Company in regard to a sponsorship and they are taking our \$2,500 title sponsorship. We need to mail and email the paperwork to them and wait for them to email over their logo.

We have decided that coaches do not need to attend board meetings, they report to either the football or cheer coordinators and if they feel there is a meeting they should attend then they can let them know.

For flags we will use what we have for the Rookies, and we will buy new for the Competitive team. Jason is also going to look into putting coordinating numbers on the flags.

Head coaches and Coaches should have Polo shirts and Ray suggested about the head coach having a different color hat so he can stand out to the Ref on game days. Coaches and board members should be easily recognizable.

Dana had the idea to make up goodie bags for camp since we found a bunch of leftover stickers and magnets in the storage units. We want camp to stand out and be special for the kids.

A spreadsheet will be made with the sizes of camp shirts so an order can be made.

We need to look into mouth guards to order to have to be able to sell.

**Board voted and approved unanimously.**

#### **Fundraisers:**

Iron pigs game update –we need to push tickets, only 50 tickets have been sold so far.

Purse bingo- Sponsors are needed!!!! Estimated profit of \$8300+
